

31st European Congress of Clinical Microbiology and Infectious Diseases (ECCMID 2021)

ECCMID brings together experts from relevant fields to present the latest findings and developments and share their expertise. The congress will take place in Vienna at the Reed Messe Conference Centre, as well as online. The programme committee has developed a multi-faceted programme to incorporate all of the exciting educational, social and professional events that ECCMID has to offer.

The (late)breaker abstract submission will be open between 26 April and 7 May 2021.
