

# **VACCELERATE Webinar Special: LIVE INCIDENCE OF ACUTE VIRAL RESPIRATORY INFECTIONS (ARI)**

With Prof. Joe Schmitt on the VACCELERATE Pilot in Germany, its scientific background and the future: <https://vaccelerate.eu/mak-5/>

COVID-19? RSV? Influenza?

We are currently conducting a survey to determine the frequency and distribution of respiratory diseases.

For this purpose, volunteers from the VACCELERATE Volunteer Registry are contacted and receive a test kit, which can detect 5 different viruses.
